

Splitting A Seven Hour Course Into Two Parts

A seven hour course can be split into two 3.5 hour parts as long as they run on two consecutive days and the 2nd part starts within 24 hours of the 1st part ending.

Here is an example of how this might work:

Tuesday 1st August: Course starts at 8:00am and finishes at 11:30am

Wednesday 2nd August: Course should start no later than 11:30am
