

REMOTE DRIVER CPC INSTRUCTIONS

Registering to Deliver Remote Courses

To register for delivering remote Driver CPC courses, contact the Driver CPC Team:

📞 +44 (0)1952 520211

✉️ masterdrivercpc@rtitb.com

Once registered, you will receive:

- All necessary course forms (including electronic assessment sheets)
- A guide for completing paperwork on a mobile device

Important Information

- Maximum 12 candidates per course (instructor and auditor not included)
- All standard course rules still apply (ID checks, correct hours, etc.)
- These modules cannot be delivered remotely:
 - Manual Handling in Action
 - Safe, Smooth, and Sustainable Driving

Delivering the Course

- All discussion-based delivery methods will need to be conducted in a controlled manner. For example, the instructor directs the next person to speak etc. Quizzes can be done interactively through the presentation (no need for paper)
- Quizzes can still be conducted with relative ease; drivers will need to engage in the presentation quiz rather than writing it down on paper.
- An RTITB/DVSA auditor may join randomly during the day

The fair processing notice will need to be shown on screen to all candidates and instructors will still be required to explain this thoroughly, as is currently the process.
